Allergens

Supplier works to contain 3 main allergens: wheat, mustard and soybeans. Allergens are not handled, however there is a possibility that there are traces in incoming raw product to our facility. Before the grain is purchased from producers, samples are evaluated for such contamination. Measures are in place to remove traces of allergens from finished product

Claims and Certifications

Halal – Inherently Suitable
 Kosher – Certified
 GMO - Free

Packaging and Labelling

25kg net weighted polypropylene bags
 Bag tag with name of product, net weight, pack date, best before date and Lot number

2 years if kept in optimal storage conditions.
Keep cool and dry

Quality Certifications

Simpson Seeds: ISO 22000
TFB Trading: HACCP

Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at the time of writing.

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufactures and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e: further cleaning/rinsing/cooking prior to consumption)
