Allergens

Sesame product and products thereof are present in product, production line and facility.
No other allergens present or processed at facility

Claims and Certifications

Halal – Certified
Kosher – Certified
GMO - Free

Packaging and Labelling

Packed in 15kg net HDPE laminated paper bags.
Bag tag with name of product, pack date, expiry date, batch/lot number and country of origin

Shelf Life and Storage

18 months from packaging date if kept in optimal storage conditions.
Keep cool and dry: 17 – 30 degrees Celsius

Quality Certifications

Fazlani: BRC and FSSC
TFB Trading: HACCP

Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at the time of writing.

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufactures and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e: further cleaning/rinsing/cooking prior to consumption)
