**Guidance on use of information:**

The information detailed in this specification is provided by our supplier which includes maximum tolerance levels at the time of testing. These results may vary dependant on test methods.

**Intended Use:**

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufacturers and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product.

**Please note:**

This specification is awaiting final approval by our supplier.
