Allergens Allergen free

Claims and Certifications Halal – Inherently Suitable – Statement Available
Kosher – Certified
GMO - Free

Packaging and Labelling 25kg or 1000kg bulk bags net weighted new polypropylene bags
Bag tag with name of product, net weight, pack date, best before date and Lot number

Shelf Life and Storage 24 months if kept in optimal storage conditions.
Keep cool and dry

Quality Certifications AGT Foods Australia: HACCP
TFB Trading: HACCP

Guidance on use of information:

The information in this specification should be taken as a guide only. Values can vary with variety, conditions of growth and age of the product when used. We have taken a reasonable effort to ensure that the information is true and accurate at time of writing.

Intended Use:

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufactures and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e: further cleaning/rinsing/cooking prior to consumption)
