**Guidance on use of information:**

Form: 4055

Issue Date: 22.04.2021

This document does not supersede the GTA standard CSP 4.3.5

**Intended Use:**

This product is an agricultural commodity processed in order to meet or exceed this specification as detailed above and is intended for sale to manufactures and wholesalers. It is the responsibility of the purchaser to ensure the product is suitable for sale to their business and retail customers. This includes provision of the appropriate consumer labelling content that incorporates a 'direction for use statement' and/or 'warning statements' to mitigate any risks arising from the nature of the product (i.e: further cleaning/rinsing/cooking prior to consumption)

**Please Note:**

This specification is awaiting approval by our supplier
